Christian Nationalism's Dominance Orientation is Not About Who They Are, it's About What They Believe

Christian Nationalism is about Dominance – Religion in Public

We the (Chosen) People: Christian Nationalism Now YCFC

LIBERAL vs. CONSERVATIVE IDEALS:	
LIBERAL	CONSERVATIVE
The federal government should take a very active and large role in the domestic affairs of all the nation's citizens	The federal government's role is too big & should not be expanded further – more control should be given to state and local governments over their own citizens

LIBERAL vs. CONSERVATIVE IDEALS .

About This Collection

The gallery titled "conservative christian ideals" captures a complex interplay of faith and power across the United States. Drawing from recent findings by PRRI and Pew Research Center, it explores how support for christian nationalism varies widely across all 50 states. FiveThirtyEight and The New Yorker contribute insights into the christian right's influence, while NPR's Throughline traces its historical roots. Moderate voices struggle to find footing as the christian right shapes political discourse. Amid Trump-era conservatism, some embrace raunchy expressions of faith, challenging traditional boundaries. The collection reveals how christian nationalism is often about dominance, as noted by Religion in Public, and how it drives liberals away from organized religion. View the full gallery above to see these dynamics unfold.
