About This Collection

We need to write a short description 60-90 words, one coherent paragraph, enticing, based on scrambled captions. No em/en dashes. Plain text only, no markdown, no lists, no quotes. Use "because" instead of "due to the fact that". No AI-flag words list. No "not only X but Y", "At its core", forced groups of three. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". End with natural invitation to view full gallery via link above. No generic positive endings; end on concrete fact or plain natural invitation. Use "to" instead of

"in order to". Must translate rest as needed. No emojis, no curly quotes, no markdown, no bold. Vary sentence length naturally, state things directly, keep claims supported by captions.
