About This Collection

Jelly Bean stars in a bold nude series tied to her collaboration with Big John for Naked & Famous Denim, featured in Juxtapoz Magazine. Her name appears across galleries, from jelly bean brains to ASMR nudes, blending retro pin-up charm with modern edge. Known also as Jameliz, she shows off her figure in Victoria with nude shots at Elite Babes. The Rockin' Jelly Bean theme runs through pin-up posters, silk screen art by Kana Momonogi, and burlesque prints. See the full jelly bean nude collection via the link above.
