iPhone 15 Pro (Concept Wallpaper)

About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions provided. Use "because" instead of "due to the fact that". Must not use "At its core". However the instruction says "adult photo gallery". Must not use em/en dashes. But the captions are about iOS wallpapers, not adult content. No generic positive endings; end on concrete fact or plain natural invitation. Must not use forbidden words. No emojis, no curly quotes, no markdown, no bold. But we must follow the instruction: write description for adult photo gallery based on captions. We must produce a description in same language as title "ios 15 wallpapers" which is English. Must use "to" instead of "in order to". Must be plain text. Must not use AI-flag words. But captions are about iOS wallpapers. Must not use markdown, lists, quotes. Must not use "not only X but Y". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Must end with natural invitation to view full gallery via link above. Must be 60-90 words. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Must not use forced groups of exactly three items. Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to produce 60-90 words. Let's count approximate words. Aim for ~75 words.

We need to reuse at least 20% of key words from captions. Let's count distinct key terms maybe ~15. Key words: iOS 15, wallpaper, wallpapers, default, download, colors, HD, iPhone, Apple, iPadOS, dark mode, 4K, stock, gradient, blue, red, concept, iPhone 13, iPhone 15 Pro, iPhone 15, iPhone 15 Plus, iPhone 15 Pro Max, beta, developer, Hk3ToN, etc. We need to reuse at least 20% of those distinct terms. 20% of 15 = 3. So need at least 3 key words reused. We'll reuse many.

We must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid those.

No em/en dashes. Use commas.

No "not only X but Y". No forced groups of exactly three items. No "At its core". So avoid listing three items in a row.

Use "to" instead of "in order to". Use "because" instead of "due to the fact that".

No inflated importance, no sales language, no clichés.

End with natural invitation to view full gallery via the link above. So something like "Check the link above for the full gallery." That's a concrete invitation.

We must keep every claim supported by captions. So we can mention that the gallery includes iOS 15 default wallpapers, HD, 4K, dark mode, gradient colors, iPhone 13, iPhone 15 Pro concept, etc.

We must write in English.

Word count: Let's draft ~75 words.
