About This Collection

felitio presents a premium selection of bold, unguarded moments captured in the lindavista series, where confidence meets raw desire. every shot carries the heat of first-time exploration, from soft whispers to full-throttle surrender. shot in 2021, this vende collection features a usado aesthetic that plays with precio and negociable themes, blending transmisión and automática rhythms into each frame. the color palette leans heavy on negro, contrasting with subtle flashes of kilometraje — each image clocked at 000km of pure intensity. view the full gallery now via the link above.
