About This Collection

Illan Castronovo, also known as Illan Rivière, stars in this intimate photo gallery captured by photographer loeilouvert-Nei from Mad Photographies. Whether he is dancing or simply posing, the focus remains on his lithe form and expressive presence. These artistic prints reveal a side of Illan rarely seen on screen. The model is adorned in elaborate jewelry, with multiple bracelets and rings catching the light against his bare skin. Set in a dark atmosphere, the images evoke a sensual dance routine performed in front of a curtain, echoing the style of a male bellydancer like Jamil from Sydney. Some shots show Illan reacting to the presence of Alix, adding a candid intensity to the series. View the full gallery via the link above.
